For more information about CPC please see Skate Canada Rule Book, [Scoring of Skate Canada Competitions](#).

Skate Canada Coach Information

A maximum of two coaches per entry will be accredited. A maximum of two coaches will be allowed at ice level – determined by the skater/team.

It is the responsibility of the coach(es) to ensure that they meet the requirements to be able to attend a competition with their athlete. [Please click here](#) for important information surrounding certification requirements, requesting special permission, and accreditation at the event.

Draws

Draw for the Starting Order for the First Segment of the Event

The starting order of the competitors for each Event will be randomly drawn in cooperation with the Technical Representative. The draw may be done manually or by computer. See Skate Canada Rule Book, [Competitions, Section 3; Conduct of an Event](#).

Music

All music used must be in the public domain or covered by the performing rights societies. Competitors who have music composed specifically for their programs either wholly or in part, are responsible for obtaining a written release from the composer for the use of such music on radio and/or television or appropriate clearance from the performing rights societies.

Music Requirements:

Music must be received at time of registration in MP3 format by the registration deadline. There will be an upload section on the PPC you will complete.

Team Managers for Synchro must submit music on behalf of their team when they register at the competition.

The music downloaded must include the skater's full name and the event in which they are registered to skate. Example: M Mouse/Senior/Free Program

NEW: Competitors will NOT hand in their back up music at the time of registration. Skaters will hold onto their music and keep it on their persons, or with their board side accredited coach. In the event that the back-up music is required by the Audio Technician, the skater or coach will deliver the music to the Audio Technician.

The back up music must be on a USB memory stick. **CDs will NOT be accepted.** A memory stick may contain multiple programs however, it must be properly labeled. **No alternate electronic items such as iPhone, tablets, MP3 players etc. will be accepted.**

Accidents/Liability

Skate Virden, Skate Manitoba Section, Skate Canada and the volunteer team undertake no responsibility for damages or injuries suffered by skaters. As a condition of and in consideration of their entries in this competition, all competitors and their parents or guardians shall be deemed to agree to assume all risks or injuries to the competitor's person and property resulting from, or caused by or connected with, the conduct and management of the competitions and to release any and all claims they may have against the officials, the association, the Section, the Skate Canada, The Skate Virden Club, the volunteer team and against their officers and their entries shall be accepted only on these conditions.

Medical Services & Injury Reporting

Medical Services available to skaters will be located in a designated area on-site. Ice level first aid personnel will be available for the duration of practice and competition.

Camera Policy

Flash photography is not permitted while athletes are on the ice during practice or competition. Skate Manitoba restricts the use of cameras and video equipment during Skate Canada Sanctioned events out of respect for the safety and to protect the privacy of competing athletes.

Coaches are only permitted to video tape their own skater from the boards during that skater's practice or performance. For full policy, please see our Standing Rules, A.121 Governance, Camera Policy

PLEASE NOTE: you may only take pictures or videos of your own skater.
