

WELCOME TO THE  
20th ANNUAL  
FUNSKATE  
COMPETITION

**Skate  
Viriden**

Skate Virden would like to welcome all the skaters, coaches, parents, officials and spectators to our 20th annual FunSkate competition which will be a fun filled event for all participants and event attendees. The committee members have done a lot of preparation for this event and we hope that you take the time to experience everything that the event has to offer as well as the community of Virden. There will be a plethora of talent skating at this year's event ranging from young CanSkaters right up to figure skating talent competing at this year's Canada Games. We hope everyone has a wonderful weekend and we wish the best of luck to all of the skaters competing.

### **Treaty Acknowledgement statement:**

"We acknowledge with respect the history, spirituality and culture of the peoples with whom Treaty #2 was signed and the land upon which this skating event takes place. We acknowledge our responsibility as Treaty members and honour the heritage and gifts of Metis people. As a skating community, we commit to moving forward in partnership with Indigenous communities in a spirit of collaboration and reconciliation."

### **Camera Policy**

Flash photography is not permitted while athletes are on the ice during practice or competition. Skate Canada Manitoba restricts the use of cameras and video equipment during Skate Canada sanctioned events out of respect for the safety and to protect the privacy of competing athletes. Spectators are permitted to use cameras at the event for personal use only.

### **Award Presentation**

The podiums for ribbon and medal presentations will be setup in the lobby of Tundra Oil & Gas Place.
